Warrant for Annual Town Meeting

STATE OF NEW HAMPSHIRE

[L. S.] To the inhabitants of the Town of Tilton, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town, on the 8th day of March next, at ten o'clock in the forenoon to act upon the following subjects:

1, To choose a Town Clerk, Town Treasurer, one Selectman for the term of three years, one Selectman for the term of two years, one Selectman for the term of one year, two or more Road Agents, two Auditors for the year ensuing, and one Trustee of Trust Funds for a term of three years.

2. To take the sense of the qualified voters whether the alterations and amendments to the constitution proposed by the Constitutional Convention shall be approved.

3. To see what disposition the town will vote to make of the School and Parsonage fund interest for the year ensuing.

4. To see how much money the town will vote to appropriate for Memorial Day expenses for the year ensuing.

5. To see if the town will vote to install one incandescent light on School Street, near the residence of H. C. Wheaton, and raise money for the same. By request.

6. To see if the town will vote to increase the salary of the Forest Fire Warden from $12.50 to $25 annually, jointly with the town of Northfield.

7. To see if the town will vote to appropriate the sum of seven hundred and fifty dollars for the maintenance of the District Nurse Association, jointly with the town of Northfield.

8. To see if the town will vote to raise and appropriate money to grade and establish the road on Lancaster Hill from the watering trough to the residence of Willard H. Philbrook. Said road to be covered with gravel surface. Estimated cost about $2,000. By petition.

9. To see if the town will vote to accept state aid for highways and appropriate the amount required by law to secure the same.

10. To see how much money the town will vote to raise for all purposes for the ensuing year.

11. To see what action the town will vote to take in regard to the reports of its officers and agents for the past year.

12. To choose any other officers and agents for the year ensuing.

13. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 19th day of February, 1921.

GEORGE E. CRAGIN,
WALTER C. WYATT,
ORVIS A. PLUMMER,
Selectmen of Tilton.

Trust Funds Received During 1920.

DEED NO. 29, FUND No. 33.

TILTON, N. H., FEB. 20, 1920.

Town of Tilton, Belknap County, New Hampshire.

Gentlemen:—I hand you herewith check for $200, from the estate of the late J. E. Smith of Northfield, N. H. This amount is to constitute the principal of a fund to be held in Trust by you forever and invested and reinvested agreeably to the laws of the State of New Hampshire governing such Trust Funds.

The interest from this Fund is to be paid, at least annually, to the Park Cemetery Association of Tilton, to be used for the care of the burial lot of the late J. E. Smith in said cemetery.

The creation of this Trust Fund has been approved by the Probate Court for the County of Merrimack, State of New Hampshire.

Very truly yours,

JOHN A. JAQUITH, Administrator.

Respectfully submitted,

WALTER C. WYATT,
WILLIAM H. MOSES,
CHARLES E. TILTON,
Trustees of Trust Funds for the
Town of Tilton.

Tilton, N. H., Feb. 18, 1921.

We have audited the reports of the Selectmen, Town Treasurer, Tax Collector, Town Clerk and Treasurer of Trustees of Town Trust Funds and find them correctly cast and properly vouched.

B. P. ATKINSON,
R. C. DEARBORN,
Auditors.

Report of the Superintendent of Schools

To the School Boards and Citizens of Tilton and Northfield;

The common interests which the three districts have and which are yearly increasing make it convenient and desirable that this report be made in this form. The same superintendent serves all three districts, Tilton Seminary is the common high school as each district now has a contract with this school, the same school nurse has charge of the health work in all the schools, the school finances are more or less interwoven, and interests apart from schools tend to make us one community.

NORTHFIELD

There were enrolled in the five schools of this district during the last school year a total of 88 different children. The average membership in all schools for the year was but 61. In spite of the exceptionally hard winter the attendance was good. The per cent for all schools was 91. I am glad to call attention to the excellent record made by Bean Hill School. Two schools had very bad records in the matter of tardinesses. This was largely uncalled for. The total number for all schools was 339. This is altogether too many. Indifference on the part of parents in this or any other matter is very certain to lead to indifference on the part of the children. All schools, except one, kept the regulation 36 weeks during the year. I believe this is a new record for Northfield. The exception was the Oak Hill school which was closed for some time during the winter on account of the illness of the teacher. The school year here was but 34 weeks.

The total enrollment at present in all schools is 64. The smallest school is at Bean Hill where there are but four children. The following is the list of teacher:

School	Teacher	Yearly salary rate
Tibbetts	Marion Foss	$720
Rand	Dorothy Phillips	650
Bean Hill	Lillian Green	540
Center	Norma Fifield	600
Oak Hill	Mabel Merrill (substitute)	540

The Oak Hill school has suffered this year because of several changes in teachers. The location of this school s such that it is impossible to secure a boarding-place for a teacher within a reasonable distance from the school. It is difficult to find anyone who is willing to walk a long distance. When the time for the opening of schools in September arrived no one had been secured for this school. Mrs. Marion Foss was able to substitute for some three weeks when Miss Edith Unwin of Concord was secured. Miss Unwin had had only a few weeks experience and was obliged to attend a special session at the Keene Normal school during November. During her absence Miss Houston, a senior at Keene, substituted. Miss Unwin left at Christmas and Miss Mabel Merrill has been substituting since.

For the first time the schools this year have had a supervisor in music. This work is being done by Miss Isabel Emerson who has charge of the music in the schools of Franklin and also in Tilton Town district. I am sure this is proving altogether worth while and I hope that it may be possible to continue it.

Miss Mary Davis, the district nurse in Tilton and Northfield, made a physical examination of the school children last spring and a second examination this last fall. She will make further visits to the schools and examinations during the year as time permits. Physical defects found have

been reported to parents. The results obtained prove that this work has been effective. The children in the schools have all become "Health Crusaders" and there has been a real attempt made to transfer the laws of health of the text book into right habits. The whole thing is one of the most sensible pieces of work the schools ever tried to do.

We have ten pupils attending Tilton Seminary, the same number as last year. The tuition rate in this school has been raised from $55 per year per pupil to $100. A district not supporting a high school is not liable for more than $55 per year, but a district may make a contract with a neighboring institution to furnish instruction to the pupils of the district. At a special meeting of the district held in November the school board was authorized to make such a contract with Tilton Seminary. This was immediately done and the district is now paying $75 per year per pupil and the Seminary is furnishing all secondary school privileges. The parent pays nothing. Had this not been done the individual parent would have paid the Seminary $45 per year. The making of this contract is certainly a step in advance.

In accordance with the vote of the district meeting extensive repairs have been made at the Tibbetts school. These alterations followed in general the suggestions of the state board. The district meeting made available $1,200 for this purpose. $100 was put into land for a play-ground. The balance has been practically all put into the buildings. As a result we have an attractive and comfortable little school room. Two things more should be done, the stove should be jacketed and a cold air flue built and chemical toilets should be installed The appropriation made was not sufficient for these improvements. I hope the district meeting may see fit to make an appropriation sufficient to make needed improvements at the Rand school. If this building is to be continued in use something should be done.

TILTON TOWN

The school census taken in September last showed 107 children in the district between the ages of 5 and 16. This was ten less than the year previous. At the time of taking the census this last fall there were 83 pupils enrolled in our schools and 20 pupils under 16 from this district in other schools. The number registered at present in our schools is 85. There are in addition 15 at the Seminary, 6 at the Union school, and one each at the Franklin High and the Laconia High.

During the year ending last June there were 100 different pupils registered. The average membership for all schools was 80 and the per cent of attendance was 92. The general attendance and interest for that year were very good.

As usual we have had some changes among the teachers. Miss Una Kimball who was very succesful at No. Four resigned about the opening of the spring term to accept a position in Massachusetts. Mrs. Ella Sanborn substituted for us for remainder of the year. Our new teachers for this year are Miss Isabel Emerson who took the place of Miss Gertrude VanDommelee as teacher of music, Miss Freeda Fitts of Peterboro at Sanborn Road, and Miss Louise Emery at No. Four. Miss Fitts is proving successful in her work and Miss Emery has made her school a joy to the children and a joy to the superintendent. It is a pleasure to be able to commend all of our teachers.

The policy of sending the seventh and eighth grade children from No. Four to the Union school has been continued. It would certainly be well fromthe standpoint of their school training if the seventh and eighth grade children in our other schools might have this same opportunity. Particularly is this true at Lochmere where the large number make it impossible for the teacher to give to the children of the upper grades the attention which they need when she has all the

lower grades to consider. There are, to be sure, other considerations and the argument is not all on one side.

The appropriation which was made at the last district meeting for certain alterations at the No. Four school was not expended through our failure to secure anyone to do the work during the summer vacation. This appropriation of $600 is still available and we are in hopes that the alterations may be made during the spring vacation.

Our total revenue for ordinary school purposes this fiscal year will be about $6,375.00. This of course does not include the special appropriation of $600 for the alterations at No. Four. Our expenditures to February 1 were $3379.23. This gives us a balance of about $3,000 to carry us through to end of the fiscal year, August 31 next. I estimate that this will be sufficient and we should have a small balance at the end of the year. This district received this year from the state a rebate on high school tuition paid to the amount of $90.52. Nothing has been or will be received for equalization purposes. The valuation of the district is such that a $5 tax on $1,000 of the inventory yields a sum sufficient to maintain standard schools.

TILTON UNION

There have been but two changes in our teaching force since the last report. Miss Lyler Forbes of Nashua, a graduate of Keene Normal School, began work in the first grade room in September. Miss Forbes had had three years' experience before coming to us. Miss Marion Abbott of Concord, a graduate of the Concord Training School for teachers, is our new teacher of the second grade. Miss Colby was transferred from the second to the third grade. So far this year we have been able to get along without an assistant. Both Miss Forbes and Miss Abbott are proving themselves excellent additions to our corps of

teachers. We have reason to congratulate ourselves that we have so fine-spirited and well-trained group of teachers. The good quality of the work which the pupils from this school in general do at the Seminary testifies in a measure to the character of the teaching and of the training which our school gives.

Our registration at this time is 322. In addition we have fifty-three pupils at the Seminary. There were enrolled during the last school year a total of 386 different pupils. The average membership was 336.

Thirty-seven pupils completed the work of the eighth grade in June last. Twenty-five of these entered Tilton Seminary in the fall. This was about 68 per cent. of the class. The per cent. was slightly higher the year previous. A much larger per cent. of our graduates are now going to the Seminary than formerly. However the per cent. ought to be 90.

We have been able this year to begin the work in manual training and sewing in the fifth grade so that now provision is made for all of the four upper grades. The old manual training benches had long been unsatisfactory and the school board decided to equip the manual traing room with new benches. We now have 14 single benches designed especially for school work. Additional tools which were much needed have also been purchased. Our new equipment is very much appreciated both by the instructor and by the pupils. This work is so much enjoyed by the boys that they are often eager to remain after hours to complete some project upon which they are at work. The room which we are compelled to use has serious limitations. As I suggested a year ago in my report we need a new building to properly care for the manual training for the boys, the sewing for the girls, to provide facilities for cooking for

the upper grade girls, and to make it possible to organize our seventh and eighth grades into a junior high school.

Some needed repairs have been made on the school building. The fire escape has been painted. The window casings have been painted and the sash have been drawn. A part of the wood-work in the basement has been revarnished. Certain repairs on the boiler which were recommended by the inspector have been made and the steam pipes in the west end of the building replaced with larger ones which make the heating of this part of the building much easier. An appropriation should be made at the next school meeting to make it possible to refinish the walls and ceilings of some of the rooms and to install lights in the fifth and sixth grade rooms.

We have again this year a small but interesting and interested evening school. We have an attendance of about 18. Mrs. Sheehan, Mrs. Emily Shaw, and Miss Florence Shaw are the teachers. I need not dwell on the importance of this work in Americanization.

The subject of finances is always one of large interest and at this time it is rightfully receiving serious consideration. The financial report, printed elsewhere, is for the fiscal year ending August 31 last. We are now in the middle rather than at the end of a fiscal year. We ought to know just what our financial condition as a district is this year. The following statement should shed some light on the matter.

Financial Statement for Current Fiscal Year, September 1, 1920; August 31, 1921.

A comparison of these figures with those of the last fiscal year shows that our schools (including tuition of pupils at the Seminary) are costing practically $3,500 more than last year. In making this comparison it is necessary to deduct from the grand total of last report the sum of $1,040 paid on the debt in order to get at the actual cost of maintenance. Put in another way the increase is about 20 per cent. This increased cost is found principally in the cost for teachers ($900), fuel ($400), new equipment ($350), and high school tuition ($1,200). In all probability we have reached the high mark in the cost of maintenance. We are facing a deficit of about $3,000 which the school board is asking the district meeting to provide for. Had we received the $2,500 which we expected from the state as state-aid our probable deficit would have been so much less.

In conclusion I wish to express to the members of the school boards and to the teachers my appreciation of their hearty cooperation in my work.

Respectfully submitted,

CHANNING T. SANBORN.
